Eric + Lorena,

It's a pleasure to meet you over email. It's my understanding you have experience with filming, so I don't want to waste your time explaining the process. I'll take your lead, but I think the best course of action would be to meet face to face, or have a conference call, so I can understand your goals and offer a solution. What is your availability like this week? I'm happy to come to your office so we can discuss in more detail. We are in the middle of TV season and many Super Bowl commercials will be produced in December, so now is a great time to get in the market.

P.S> Bob - Thank you for the referral. It is greatly appreciated.

Best,

Jason Jones
